Sir,

Ref:- Petition dated 9-5-1941 from Sri. N. Somayajulu, Sanitary Inspector, Hospet Municipality on this office orders D.Dis.1735/40 dated 12-3-41 communicating L.F.No.7513 dated 3-2-1941 from the Examiner of Local Fund Accounts, Madras.

Chairman

I submit herewith the petition dated 9-5-41 from Sri. N. Somayajulu, the Sanitary Inspector of this Municipality and the remarks of the Municipal Health Officer thereon dated 10-5-1941. The remarks of the Municipal Health Officer dated 11-10-40 on the previous petition of the same subordinate dated 10-6-40 (vide pages 71 to 75 of D.Dis. 1735/40 dated 12-3-41 herewith enclosed) and the orders of the Examiner of Local Fund Accounts, Madras in his L.F.No.7513 dated 3-2-41 (vide page 53 of the said disposal) may kindly be perused.

In his present petition dated 9-5-41 under review the Sanitary Inspector represents that his case, for at least

~~lea~~ his increments, may be re-examined on the fresh grounds he has presented.

On examination by me of the several issues, I am of the opinion that the case of the Sanitary Inspector was not fully presented when the Government passed orders in G.O.No.Ms.1014 Edn. and P.H. dated 16-3-39 on his petition dated 1-6-38 and I submit the following observations of mine which I request the Government to kindly consider.

Sri. N. Somayajulu was appointed as Sanitary Inspector in this Municipality from 4-6-30 on Rs.50/- per mensem in the scale of 50-2/1-80. The Government scale of Rs.50-5-100 was adopted by the Council in its resolution No.264 dated 26-4-1930 (copy enclosed) with effect from 1-8-1930. Again in its resolution No.347 dated 23-8-1930 the Council kept the new scale of Rs.50-5-100 in abeyance (vide pages 51 to 69 of R.Dis. 172/30 dated 30-8-1930). This latter resolution cannot be considered valid as it was passed at a special meeting convened at the instance of six members and the proposal for revision was not done at the instance of the Chairman, Municipal Council as required by section 70(2) of the District Municipalities Act 1920. The scale was subsequently changed as shown below in the Government orders and resolutions noted against each.

1. Rs.50-2½-80 in Council resolution No.217 dated 31-7-1933 with effect from 31-7-33.
2. Rs.55-2½-80 in C.R.No.58 dated ~~13-12-1934~~ 13-2-1934 with effect from 1-4-1934.
3. Rs.55-5/2-100 in C.R.No.105 dated 21-3-35 with effect from 1-1-1935 (scale recommended in G.O.No.2884 P.H. dated 17-12-34.)
4. Rs.55-5/2-110 G.O.No.646 P.H. dated 10-3-1937 with effect from 1-4-1937.
5. Rs.55-5/2-85-4/2-105 G.O.No.2466 P.H. dated 7-7-1938 with effect from 1-7-38.

A statement showing the history of his service with the pay admissible to him according to the Council resolutions and Government orders fixing the pay of Sanitary Inspectors from time to time is attached.

I am of opinion that according to the revised calculations he is entitled to get Rs.70/- with effect from 9-3-39 but he is at present getting only Rs.60/- per mensem.

My predecessor Sri. N.G. Reddy has left a very good record about his work and the present Municipal Health Officer Sri. I.V. Gopalarao under whom he has served for about 2½ years has strongly recommended his case. His work so far as I have seen for the last six months has been quite satisfactory and I strongly feel that this is a case of real hardship and deserves sympathetic consideration by the Government.

Therefore, in view of the several concessional orders issued by Government from time to time to remedy the hardship caused to the Sanitary Inspectors in general and in view of the particular hardship caused to this individual, I request that the Government may be pleased to view the whole situation sympathetically and order the revision of pay according to the statement attached and to sanction his arrears of pay with effect from 15-1-1935 from which date the amendment to the District Municipalities Act 1920 came into force, according to which the Government

took the power to fix the strength etc. of the Municipal Establishments. The following records are herewith submitted for favour of perusal and return.

The Municipal Health Officer,

Sir,

Ref:- L.F.No.7513 dated 3-2-41 of the Deputy Examiner of Local Fund Accounts.

I submit here under the new grounds for favour of being placed before the Government through the Examiner of Local Fund Accounts.

The Hospet Municipal Council has adopted fundamental rules in Resolution No. 250 dated 18-2-24 and in matters of pay and increments, any orders passed should be in confirmity with those rules and G.O.No.1064 L & M dated 13-3-35.

The previous petitions though acknowledged of receipt/have not been disposed of and when increments have been sanctioned for an amount less than the amount claimed, no reasons for doing so have been communicated E.g.

(1) Petition dated 12-10-37 with the remarks of the Health Officer dated 15-10-37 and reached main Office on 16-10-37.

(2) Increment certificate dated 30-9-39.

My service register which is an important document appears to have not been sent to the Government along with the letters dated 27-6-38 and 22-11-38 when the Government decided my case in G.O.Mis.1014 dated 16-3-39. Had this important document been there before the Government I have reasons to believe that the decission could have been otherwise

I have deleted from the contents of the petition dated 1-6-38 disputable points particularly regarding pensionable service elsewhere and the present petition contains the only issue of increments rightly due under Fundamental rul

Several concessional Government orders namely:

(1) G.O.No.3290 P.H.dated 15-9-39.

(2) Government Memorandum No.32371-4-E dated 30-10-39.

(3) G.O.3256,P.H. dated 2-8-40, intended to

P.T.O.

Forwarded to Carrickfergus.

The S. D. Sec. of Lancaster has in his petition of 9 5/41 mentioned certain grounds on which his claim for more pay is based. I think I have already noted the several points in detail in my endorsement dated 11 th October 1940.

I recommend that his petition & the endorsement from me may kindly be forwarded to Carrickfergus. & cross obtained.

PAPERS

* Sub:- Petition-Establishment-Public Health-Hospet Municipality-Somayajulu (Sri N.)-Sanitary Inspector for certain arrears of increment and pay.

Ref:- Government Endorsement No. 31663-1 E., dated 20-8-1941.

In retransmitting herewith the papers received with the Government endorsement quoted above, I have the honour to invite attention to my letter No. 41578-1 P.H., dated 21-2-1939, read in G.O.No. MS.1014 P.H., dated 16-3-1939 and to state as follows:-

Sri N.Somayajulu entered service as a vaccinator under the defunct Taluk Board, Ramachandrapur of East Godavari district. While in service there, a telegraphic order which runs as follows was despatched to him on 16-5-1930 by the Hospet Municipality:-

"N.Somayajulu I class Vaccinator, Mandapeta is appointed as Sanitary Inspector on probation for 3 months on Rs.50/- per mensem. To join immediately."

Prior to the issue of the telegraphic order, the Chairman, Municipal Council, Hospet, in his Memo P.C.No.282/29, dated 5-5-1930 asked the sanitary inspector to state whether he was prepared to accept the post of sanitary inspector on Rs.50-2-80 and also told him that the appointment was a permanent one. But no formal order appointing him as sanitary inspector on Rs.50/- in the scale of pay of Rs.50-2-80 seems to have been issued. Sri N.Somayajulu joined the post of sanitary inspector, Hospet municipality on 3-6-1940 after-noon. In his letter R.C. No.2867/41 A.1. dated 14-5-1941, the Commissioner, Hospet Municipality states that the sanitary inspector was appointed in the scale of pay of Rs.50-2-80 from 4-6-1930.

In its resolution C.R.No.264 dated 26-4-1930, the Municipal Council, Hospet resolved to adopt with effect from 1-8-1930, the scale of pay of Rs.50-5-100 recommended in G.Os.Nos.70 P.H., dated 26-1-21 and 2047 Ms.P.H., dated 1-10-1928 for adoption by local bodies, but this was rescinded in its resolution No.347 dated 23-8-1930.

Sri N.Somayajulu worked as Sanitary Inspector from 4-6-1930 to ~~xx~~ 10-7-1931, during which period he was paid at the rate of Rs.50/- per mensem only. He was Plague-Inspector, Harpanahalli from 11-7-31 to 5-2-32 and when the appointment ceased he joined the ppst of sanitary inspector, Hospet Municipality on

on 11-3-32. The intervening period from 6-2-32 to 10-3-32, was treated as extra-ordinary leave without allowances so as to give him continuity of service. When he took charge of the post of sanitary inspector on 11-3-1932, he was given a pay of Rs.40/- per mensem. His pay was subsequently raised to Rs.50/- per mensem with retrospective effect from 11-3-32 and he was also confirmed in his post with effect from that date.

In its resolution, No.217 dated 31-7-33, the Council sanctioned the scale of pay of Rs.50-2½-80 with effect from 31-7-33 and the pay of the sanitary inspector was fixed at Rs.50/- in that scale. As a measure of retrenchment, the Council stopped the increment of all its subordinates from 1-4-32 to 1-4-36.

However, on 1-4-1934, the Council sanctioned for the post of sanitary inspector the scale of pay of Rs.55-5/2-80 and Sri Somayajulu's pay was fixed at Rs.55/- in that scale. He was given an increment on 1-4-35 in the above scale of pay and his pay was thus raised to Rs.57½/-. From 1-4-35, the Municipal Council adopted the scale of pay of Rs.55-5/2-110, sanctioned in G.O.No.2884 P.H., dated 17-12-1934-the scale of pay statutorily fixed for local boards, but commended to Municipal Councils for adoption. On 1-4-35, from which date the above scale of pay was adopted, the then existing pay of the sanitary inspector was Rs.57½ and his pay was fixed in the scale as Rs.55 plus Rs.2-8-0 personal pay, as per instructions contained in para 3 of the above G.O. The sanitary inspector was dismissed from service with effect from 19-4-35 for chronic indebtedness but on appeal to Government he was re-instated in service on 27-6-37. The period during which he was out of employ i.e., from 19-4-35 to 26-6-37 was treated as extra-ordinary leave without allowance. The scale of pay of Rs.55-5/2-110 statutorily fixed for Municipal Councils in G.O.No.646 P.H., dated 10-3-1937 came into force on 1-4-37. When the sanitary inspector returned from leave on 27-6-37, his pay was fixed as Rs.55 plus Rs.2½ personal pay in the above scale. Again in G.O.No.2466 P.H., dated 7-7-38, the scale of pay of sanitary inspectors was revised as Rs.55-5/2-85-4/2-105 with effect from 1-7-38 and his pay was again fixed at Rs.55 plus Rs.2½ personal pay. With reference to G.O.No.3290 - P.H., dated 15-9-1939 and Government Memorandum No.32371 -4 E.1 P.H., dated 30-10-39, the Sanitary Inspector was given an increment in the above scale, raising his pay to Rs.60/- with effect from 9-6-39 as per calculation.

Given in Appendix ~~X~~ I.

	Y.	M.	d.
From 1-4-35 to 18-4-35 =	0	0	18
From 27-6-37 to 8-6-39 =	1	11	12
Total.	2	0	0

The next increment of the Health Inspector has fallen due on 9-6-41.

On the basis that the sanitary inspector was appointed on 4-6-30 on Rs.50/- in the scale of pay of Rs.50-2-80 as stated by the Commissioner, Hospet Municipality and taking into account the period of his service as plague inspector under Government for purposes of increment in the above scale of pay he would be entitled to only a pay of Rs.65/- on 9-6-41 as shown in Appendix I.

Appendix I.

From 4-6-30 to 3-6-31 - Rs.50/- in the scale of Rs.50-2-80.
4-6-31 to 5-2-32 - Rs.52/- -Do-
6-2-32 to 10-3-32 (L.W.A.)
11-3-32 to 30-7-33 - Rs.52/- -Do- Increment stopped from 1-4-32 as a measure of retrenchment.
31-7-33 to 31-3-34 - Rs.52½ in the scale of pay of Rs.50-2½-80 p.t.o.

1-4-34 to 31-3-35 - Rs.55 in the scale of pay of Rs.55-2½-80.
1-4-35 to 18-4-35 - Rs.57½ -Do- and Rs.55 plus 2½ personal pay in the scale of Rs.55-5/2-110.
19-4-35 to 26-6-37 - (Leave without allowance)
27-6-37 to 8-6-39 - Rs.55 plus Rs.2½ personal pay in the scale of pay of Rs.55-5/2-85-4/2-105
9-6-39 to 8-6-41 - Rs.60/- in the scale of -Do-
9-6-41 to - Rs.65/-

Even allowing, in addition, that the sanitary inspector should be allowed to draw pay in the scale of pay of Rs.50-5-100 from 1-8-1930, there would still be no change in his emoluments as detailed in Appendix II.

From the Appendices I and II it will be seen that the recommendation of the Commissioner, Hospet Municipality, not fully based on facts and that no case has been made out to grant increased rate of pay to the sanitary inspector.

The petition of the sanitary inspector may thefefore be rejected.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Public Health, Madras.

2. In G.O.No.1014 E. & P.H., dated the 16th March 1939, Government refused to comply with the request of the petitioner.

3. The only fresh argument now put forward by the petitioner is that the Council Resolution No.347 dated the 23rd August 1930 keeping in abeyance or abolishing the scale of Rs.50--5--100/- should be deemed to be invalid on the ground that it did not satisfy the requirements of Section 70(2 of the District Municipalities Act. In this connection, it is submitted that it is not open to the petitioner to bring forward this plea of illegality in the resolution after a lapse of nearly eleven years. (A reference is invited to my remarks in paragraph 1 of this office U.O.No.546-1 dated the 28th May 1941 on a similar question of illegality in the resolution relating to Pollachy Municipality and the orders passed by Government thereon). The petitioner should have appealed on this ground - within a reasonable time after the passing of the resolution. There seems to be, therefore, no justification for complying with the request of the petitioner in modification of the previous order.

Pp.43-44 of G.O.1701 dt. 23.6.41 (H)

4. In case, however, the Government are convinced of the hardship involved in the case, and are prepared to revise the pay as recommended by th Commissioner, and pass orders accordingly under Section 70 (3) of the District Municipalities Act,

this department will have no objection. The increased pay may, in that case, be allowed from the date of sanction and no arrears of pay may be allowed.
